The Vendor shall use customer information solely for fulfilling orders placed through the Platform and shall protect all customer data and Sheplates business data in accordance with applicable Indian laws. Customer information shall not be copied, shared, sold, or used for any unauthorised purpose during or after the term of this Agreement.

17. Artificial Intelligence (AI) and Agentic Commerce

Sheplates may use Artificial Intelligence (AI), automated systems and Agentic Commerce technologies to facilitate product discovery, customer recommendations, marketplace operations and the generation of business insights for Vendors.

When made available by Sheplates for certain plans, Vendors may access insights relating to their listings, products, customer preferences, demand patterns, sales performance and other relevant business information.

Such insights are provided solely to help Vendors understand and improve their business performance. Vendors shall not attempt to access the underlying AI systems, customer data, confidential platform information or insights relating to other Vendors unless expressly authorised by Sheplates.

20. Force Majeure

Neither Party shall be liable for delays caused by events beyond reasonable control including natural disasters, pandemics, war, civil unrest, government action or major infrastructure failures. However, Force Majeure shall not excuse the Vendor's obligation to remit any payments owed to Sheplates.

21. Amendment of Terms

Sheplates may amend this Agreement, operational policies, subscription plans, package names, included features, usage limits, billing options and subscription rates from time to time at its sole discretion. Sheplates will communicate material changes through the Vendor Dashboard, email, WhatsApp, SMS or another official communication channel, stating the effective date where applicable.

Unless required by law or otherwise expressly agreed, a change in subscription rates will apply prospectively from the next renewal or other stated effective date and will not retroactively change a subscription period already paid for. The Vendor may review the revised terms and, before the change takes effect for the Vendor, choose an available alternative plan or discontinue renewal in accordance with this Agreement. Continued use of the affected subscription features or renewal after the effective date constitutes acceptance of the changes, subject to applicable law.

22. Suspension & Termination

Sheplates may suspend the Vendor's listings, ordering facilities or account, or terminate this Agreement, in accordance with Clause 28 and the other applicable provisions of this Agreement. Any suspension or termination shall be subject to applicable law.

Sheplates shall not be liable for any direct, indirect, incidental, special or consequential losses arising from the Vendor's products, services, delivery operations or statutory compliance, subject to applicable law. 25. Dispute Resolution & Governing Law

The Parties shall first attempt to resolve disputes through good-faith discussions. If unresolved, they may mutually agree to mediation before initiating legal proceedings. This Agreement shall be governed by the laws of India and subject to the exclusive jurisdiction of the High Court of Madras and courts subordinate thereto.
